OCEAN GAMES

Use the following ideas to host ocean-themed game sessions, and/or provide ocean-themed games for patrons to borrow at your library.

BOARD GAMES

Family-Friendly / All Ages

Ocean Bingo

Classic bingo format featuring marine animals; great for drop-in events and younger players.

Reef Rescue

A cooperative game where players work together to protect coral reefs.

Mission Ocean

Race to collect plastic waste floating among the waves. Clean up the water to protect sea creatures.

Sophie's Seashell Scramble

Players help Sophie the Otter find shells to eat in this pattern matching adventure

Aqualin

Each player attempts to group as many matching tiles as possible and form the most groups.

Fish Stix

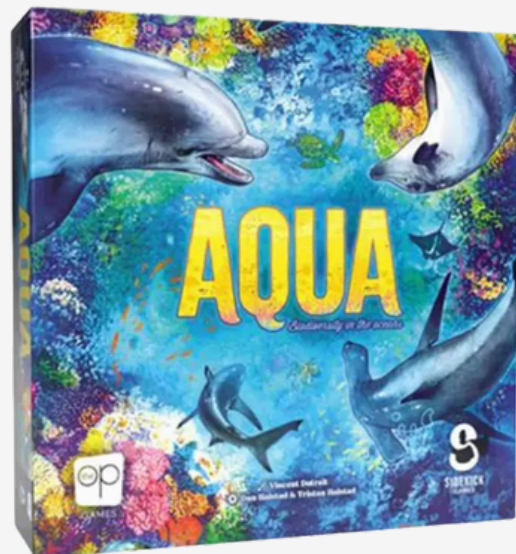

Match fish cards to score points. Practice various skills like strategy, color recognition, and counting.

Strategy & Puzzles (Ages ~8+)

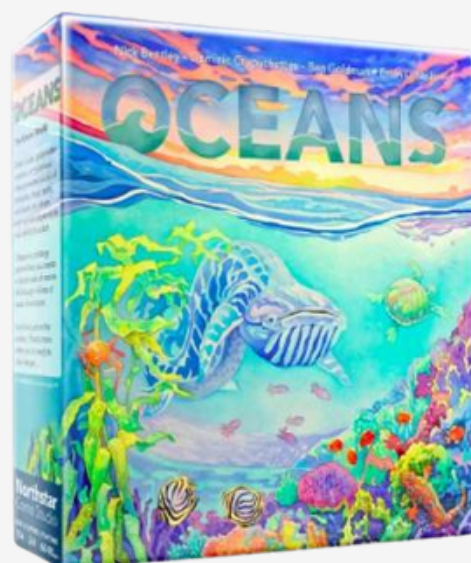

Aqua: Biodiversity in the Oceans

A coral reef-building game where players attract and collect marine life to score points.

Oceans

Players create a vibrant web of marine life through millions of years of evolution.

Reef

An abstract strategy game where players collect coral which they then use to build a 3D reef.

Shallow Sea

Players create their own vivid ocean landscapes by strategically arranging an array of marine life, colorful fish, and corals.

Ocean Labyrinth

A race for treasures in an underwater maze. Players dive down into a fantastic underwater world.

ECO: Coral Reef

Play the role of a marine biologist, hired to plan an ecological coral reef, for the conservation of marine life.

Ocean Pods

Draft resources and attract whales and dolphins to your pod. Work semi-collaboratively to clean up pollution!

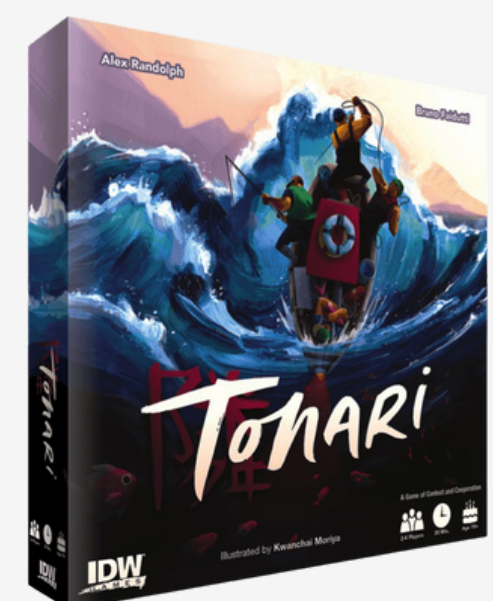

Finspan

Play as a researcher seeking aquatic life in the colourful Sunlight Zone, ghostly Twilight Zone, and pitch-black Midnight Zone.

Tonari

Play as local fishers forced to share one boat. While helping each other, each player is secretly trying to catch the most fish.
